

MORNING SHINE

CLEANING SERVICES L.L.C.

Professional Cleaning Solutions
Across the UAE

A CLEANER TODAY. A BRIGHTER TOMORROW.

WHO WE ARE

About our company

Morning Shine Cleaning Services L.L.C. is a Dubai-based professional cleaning company providing building and residential cleaning services across UAE.

Our team uses suitable cleaning products, hand tools and specialised equipment for homes, apartments, villas and floor-care requirements. We agree on the service scope before every booking and select our methods according to the property and surface condition.

FLOOR CARE

Floor Cleaning & Polishing

Cleaning and care for suitable vinyl, tile, grout and marble surfaces.

We assess the floor type and condition before recommending a cleaning, polishing or maintenance treatment.

VINYL

Deep cleaning; shine restoration; maintenance and protection.

For suitable LVT, VCT, PVC, sheet vinyl and other resilient vinyl floors.

TILE & GROUT

Tile deep cleaning; shine restoration / polishing where suitable; grout deep cleaning.

For suitable ceramic and porcelain flooring.

MARBLE

Deep cleaning; polishing and shine restoration; maintenance polishing.

Treatment depends on the marble type, condition and required finish.

INTERIOR CARE

Deep Cleaning Services

Choose a service level that matches your property condition and requirements.

01 Lite Deep Cleaning

- Detailed manual deep cleaning
- Living areas and bedrooms
- Kitchen and storage areas
- Bathrooms, windows and glass

Excludes machine floor scrubbing and steam cleaning.

02 Intense Deep Cleaning

- Detailed manual cleaning
- Intensive kitchen and bathroom care
- Machine floor scrubbing where suitable
- Intensive tile and grout cleaning
- Steam cleaning where appropriate

For properties requiring a higher level of treatment.

03 Move-In / Move-Out

- Empty / unfurnished properties
- Kitchen and bathroom deep cleaning
- Cabinets, drawers and storage
- Floors, windows and balconies

Suitable before move-in, after move-out or property handover.

04 Kitchen Deep Cleaning

- Cabinets and drawers
- Countertops, backsplash and sink
- Fittings, tiles, floors and reachable glass
- Selected appliance interiors, as agreed

Targets accumulated grease, food residue and buildup.

Free site assessment available for selected deep-cleaning requirements.

EXTERIOR CARE

Outdoor & Garage Cleaning

Appropriate cleaning methods for accessible outdoor areas and hard surfaces.

Outdoor Area Cleaning

Outdoor floors, patios, terraces, walkways, entrances and other accessible washable surfaces.

Garage Cleaning

Residential and commercial garage areas, including suitable floors and accessible washable surfaces.

Driveway & Entrance Cleaning

Suitable driveways, entrances, pathways and paved areas.

Pressure Cleaning

Suitable hard surfaces with accumulated dirt, dust, mud and surface buildup.

Pressure washing is used only where the surface, condition, drainage and surrounding area are suitable.

Scope note: Repair, resurfacing, painting, coating, sealing, restoration and other maintenance work are not included.
